Training Opportunity

SEMA

- Class Title:** MGT-348 Medical Preparedness and Response for Bombing Incidents (DHS Approved) (POST Approved)
- Class Date:** October 7-8, 2014
- Sponsor(s):** Missouri State Emergency Management Agency, Texas A&M Texas Engineering Extension Service, Region D Regional Homeland Security Oversight Committee (RHSOC), and Freeman Health Systems
- Course Description:** Participants representing jurisdictional and health care facility supervisory, command, and emergency planning staff participate in traditional didactic and facilitated instructional techniques designed to study the London Subway bombing and related support modules for salient pre- and post-event strategic planning roles, lessons learned, best practices, and local policies related to identification of targets, explosive characteristics, and general pre- and post-detonation aspects of a bombing event. This course is delivered concurrently with PER233 and is facilitated by instructors possessing expertise in both medical operations and explosives. Participants of the combined PER233/MGT348 will be assigned to the appropriate course based on their current duty responsibilities or emergency management/response roles within their respective organization.
- Prerequisites:** IS100, IS200 and IS700 (<http://training.fema.gov/IS/>)
- Target Audience:** This course is designed for Emergency Management Agency, Emergency Medical Services, Fire Service, Governmental Administrative, Law Enforcement, Healthcare, Public Health, and Public Works
- Location:** Freeman Health Center Conference Center
3220 McClelland Blvd
Joplin, MO 64804
- Class Limit:** 50 Participants
- Class Time:** 8:00 am– 4:30 pm
- Enroll online at:** <http://training.dps.mo.gov>
- Or send completed application to:** Jack Raetz, Training Officer
P.O. Box 116
Jefferson City, MO 65102
Phone: (573) 526-9016 Fax: (573) 526-9262
